*Guarantee Your Drive Experience*

## factory limited warranty

Most factory limited warranty coverage is for a limited number of parts, conditions and period of time.

**covers.**

Defects in parts and labor for a limited period of time. Basic warranty protection can run for 3 years / 36,000 miles, and powertrain warranty extends beyond.

**does not cover.**

Maintenance, rental car, damage caused by climate factors, road conditions and personal driving habits. Most importantly, the factory warranty does not cover breakdowns caused by wear and tear from ordinary use of the vehicle.

## drive on in peace

EG Assurance's Vehicle Service Contract will help our customers relax by providing additional coverage on top of the factory warranty. The agreement protects against unexpected repair costs for covered breakdowns on new and pre-owned vehicles.

Drive at ease knowing that parts and labor costs are included for covered repairs.

**We provide.**

**Out of your control.**

## BE PROTECTED From Unexpected Future Loss

### Limited Coverage

Did you know a vehicle's factory warranty only provides limited coverage for a specified period of time? By purchasing a service agreement now, our customers will be protected against covered future repair costs.

## additional vsc benefits

- **Emergency Roadside Assistance** coverage for flat tires, lock out assistance, battery jump starts, emergency gas and fluids or towing. Limit \$75 per occurrence.
- **Trip Interruption Reimbursement** up to \$75 a day (limit 3 days) for meals/lodging if a covered breakdown leaves you stranded more than 100 miles from home.
- **Rental Car Reimbursement** for a rental car if your vehicle is in a repair facility undergoing covered repairs.
- **Nationwide Coverage** if the vehicle breaks down while away from home. Visit any repair facility for repairs. Just call our toll free number before repairs are started.

\*See contract for actual terms and conditions. Coverage terms may vary based on the type of vehicle and coverage selected.
