

ON THE ROAD

JULY 2020, ISSUE 1

WHAT'S INSIDE THIS ISSUE:

ROAD TRIPPING

Sometimes you just need to get away for a weekend road trip, the week or maybe a little longer. The open road is the perfect place to push the pedal to the metal, take a deep breath and set your eyes on new sites. So, sometimes, it can be tempting to just toss a couple essentials together, jump in the car and drive off. But those who are well-versed in the art of road tripping know that preparation, paired with lots of packing tips and tricks up your sleeve, is what guarantees to make your next trip the best trip.
