

THE 2020

ESCALADE

A CLOSER LOOK

Cadillac

COMFORT TO SPARE

The cut-and-sewn interior of the Escalade combines authentic materials and sumptuous leathers with plenty of space for all. Modern amenities deliver the highest quality of comfort and convenience, every ride.

HANDCRAFTED MATERIALS

Every detail attended to – our designers and craftsmen have curated the finest natural materials, including authentic wood trims and leather appointments.

16-SPEAKER BOSE® CENTERPOINT® SYSTEM

The Bose Centerpoint® Surround Sound system features 16 speakers and makes every ride a captivating auditory experience.

ENTERTAIN ON THE ROAD

Second- and third-row passengers can enjoy the available Rear Seat Entertainment System.

POWERFUL AND IMPOSSIBLE TO IGNORE

With striking details and eye-catching lines, the 2020 Escalade is a study in artistic expression. Its modern, streamlined shape features beveled bodyside molding, an advanced jewel-like lighting system and aggressive wheel designs. It's an SUV that makes a statement wherever it goes.

CUTTING-EDGE ILLUMINATION

Full LED Light Blade taillamps emit thin blades of light that give the Escalade an unmistakable signature at night.

AVAILABLE POWER ASSIST STEPS

Open one of the doors and the available power assist steps lower to greet you.

HANDS-FREE LIFTGATE

The hands-free liftgate opens and closes with a simple kicking gesture, which is especially helpful if your hands are full.

SURROUNDED BY AVAILABLE SAFETY AND DRIVER- ASSISTANCE TECHNOLOGY

Strength where it belongs. With a safety cage constructed from ultra-high-strength steel alloy and strategic crumple zones, the Escalade offers a solid foundation. High-tech features utilize cameras and sensors to support that foundation, offering you increased peace of mind.

SURROUND VISION

Surround Vision¹ provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected onto the Cadillac user experience² screen, helps increase your awareness when parking.

²Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

REAR CAMERA MIRROR

The available Rear Camera Mirror¹ streams rear-facing video that provides a wider, less-obstructed field of view than a traditional rearview mirror.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT

Available Lane Change Alert with Side Blind Zone Alert¹ can provide you alerts when a moving vehicle is detected rapidly approaching or is already in your side blind zone.

¹Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's [Owner's Manual](#) for more important feature limitations and information.

STRONG LINES. POWERFUL PERFORMANCE.

The 420 hp¹ 6.2L V8 engine offers technologies such as Continuously Variable Valve Timing, Direct Injection and Active Fuel Management to ensure power is harnessed efficiently.

¹Cadillac estimated horsepower and torque pending SAE certification.

FOUR-WHEEL DRIVE

Get power where you need it most. Effortlessly shift among 2WD, 4WD HI, 4WD LOW and AUTO to manage the road ahead.

MAGNETIC RIDE CONTROL SUSPENSION

Feel that? We didn't think so. The available Magnetic Ride Control reads the road 1000 times a second to make your drive responsive and smooth.

READY FOR THE LONG HAUL

Pull your own weight, and then some. The standard Trailering Package provides a staggering 8300-lb trailering capacity.¹

¹Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

CONNECT EVERY JOURNEY

The Escalade cabin holds a collection of high-tech features that are both practical and indulgent. With the Cadillac user experience¹ at your command, entertainment systems and available Wi-Fi®² for rear passengers, you can stay connected wherever the road takes you.

¹Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

²Service varies with conditions and location. Requires active OnStar service and paid AT&T® data plan. Visit onstar.com for details and limitations.

CADILLAC WI-FI READY

The available 4G LTE Wi-Fi Hotspot¹ allows you to connect up to seven devices at the same time, up to 50 away, so your passengers can check their email or watch their favorite entertainment.

¹Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. The vehicle must be on or Retained Accessory Power must be active.

APPLE CARPLAY™

With Apple CarPlay,™² compatibility, you can access Siri,® Apple Music™, contacts and more from your iPhone® with a touch of the vehicle screen.

²Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks for Apple Inc, registered in the U.S. and other countries.
