CAPABILITY

YUKON XL

Living large is no small feat. Pros do it with confidence and plenty of companions. Whether they're hitting the highways (and fairways), pulling their passions, catching their limit or bagging that trophy, pros do it all. The Next Generation Yukon and Yukon XL were inspired by and built for them. And now, the First Ever Yukon AT4 allows pros to follow their imagination to travel beyond the paved and predictable.

Experience Professional Grade—the 2021 GMC Yukon and Yukon XL.

Preproduction models shown throughout. Actual production models may vary.

ROUGHING IT REFINED

EXCLUSIVE AT4 CABIN OFFERS:

- DURABLE JET BLACK INTERIOR WITH BRANDY SEAT AND STITCHING ACCENTS
- EXCLUSIVE DARK BRUSHED ALUMINUM DETAILS
- HEATED AND VENTILATED FRONT PERFORATED LEATHER SEATING SURFACES
- MULTICOLOR 15" DIAGONAL HEAD-UP DISPLAY WITH AN OFF-ROAD INCLINOMETER IS AVAILABLE
- HIGH DEFINITION SURROUND VISION IS AVAILABLE

Yukon AT4 features an athletic Jet Black interior with AT4-exclusive Brandy accents and dark brushed aluminum details. Enhance every drive with heated and ventilated front perforated leather seating surfaces that include embroidered AT4 badging on the front-seat head restraints.

Help keep your eyes on the trail with the available multicolor 15" diagonal Head-Up Display. Vital information is projected directly onto the windshield, including an Off-Road Inclinometer that measures vehicle grade and tilt. And the available High Definition Surround Vision uses multiple cameras to display a digital overhead image of the area around your Yukon AT4. It helps you maneuver off road and navigate tight spaces when traveling at low speeds.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

TRAILERING

FEATURES AND OPTIONS

- UP TO NINE CAMERA VIEWS ARE AVAILABLE
- HIGH DEFINITION SURROUND VISION IS AVAILABLE
- REAR CAMERA MIRROR IS AVAILABLE
- MULTICOLOR 15" DIAGONAL HEAD-UP DISPLAY IS AVAILABLE

To maneuver with confidence while keeping an eye on your surroundings, Yukon offers up to nine available camera views. They help improve your view in situations such as hooking up, driving with and backing a trailer into place, fitting into tight parking spaces, navigating out of your driveway and negotiating rugged unpaved terrain. In addition, flip a switch and the available Rear Camera Mirror transforms your traditional rearview mirror into a wide camera view to help provide a less-obstructed view behind Yukon while you're driving.

To help keep your focus on the road ahead, the all-new available multicolor 15" diagonal Head-Up Display projects personalized vehicle information directly onto the windshield, such as audio settings and alerts for Lane Keep Assist with Lane Departure Warning, Forward Collision Alert and more.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

MEDIA SAVVY

- IN-DASH 10.2" DIAGONAL PREMIUM GMC INFOTAINMENT SYSTEM¹ WITH AVAILABLE NAVIGATION² AND SIRIUSXM[®] WITH 360L³
- 8" DIAGONAL DIGITAL DRIVER INFORMATION CENTER
- REAR-SEAT MEDIA SYSTEM WITH DUAL 12.6" DIAGONAL HIGH-DEFINITION TOUCH-SCREENS IS AVAILABLE

Yukon's state-of-the-art technologies are designed to keep everyone entertained. The Premium GMC Infotainment System¹ with available Navigation² has a 10.2" diagonal touch-screen and a simplified interface that's more intuitive than ever before. Connect two devices at once using Bluetooth,^{®8} with storage for up to 10 customizable user settings.

Yukon is also the first GMC vehicle with wireless phone projection so you can activate wireless Apple CarPlay^{TM4} and wireless Android Auto⁵ without connecting your phone by wire or cable.

And now, Amazon Alexa travels with you. Available Alexa Built-In⁶ helps you play music, get directions, place calls, control your smart home and more—all with your voice. Alexa functionality is fully integrated into your Yukon's infotainment system.¹ Simply use voice commands to connect to your music service,

- WIRELESS APPLE CARPLAY^{TM4} COMPATIBILITY
- WIRELESS ANDROID AUTO^{™5} COMPATIBILITY
- AMAZON ALEXA BUILT-IN⁶ IS AVAILABLE
- WIRELESS CHARGING⁷ IS AVAILABLE

send directions to your available Navigation² system (if equipped), make phone calls, check your calendar or to-do lists, add items to your Whole Foods shopping cart and stay current on the latest news and sports updates.

Rear-seat passengers will enjoy the all-new available Rear-Seat Media System featuring dual 12.6" diagonal high-definition touch-screens integrated into the back of the front seats.

The 1080-pixel displays tilt 18 degrees up and 12 degrees down for an optimized viewing angle. Users can sync and play video, audio and games from personal devices through USB⁹ or HDMI ports, with content customized independently for each screen. Rear-seat passengers can even suggest destinations and send navigation directions to the front infotainment screen, helping the driver remain focused on the road.

¹Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ²Map coverage available in the United States, Puerto Rico and Canada. ³Certain features require a SiriusXM subscription and the GMC Connected Access plan. See siriusxm.com and onstar.com for details and limitations. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at siriusxm.com for complete terms and how to called legos are trademarks of SiriusXM Radio, Inc., and its respective subsidiaries. ⁶Vehicle user interface is a product of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ⁵Vehicle user interface is a product of GoogleTM and its terms and privacy statements apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. ⁶Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Certain Alexa functionality is dependent on smart home technology. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc., or its affiliates. See onstar.com for additional details. ⁷The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibile with all devices.

BEYOND COMPARISON, EXCEPT TO ITSELF

The Next Generation Yukon has a lot to love, but for an even more spacious cabin, flexible cargo capacity and greater fuel tank capacity, there's the Next Generation Yukon XL. It upsizes Yukon's capability, offering even more cargo room behind the first, second and third rows.

For generous, easily accessible cargo room with both rear rows folded down, Yukon gives you up to 122.9 cu. ft.¹ and Yukon XL offers up to 144.7 cu. ft.¹

For easier access to all of this space when your hands are full, the available hands-free programmable power liftgate with GMC logo projection opens with just a kick of your foot. Second-row seats offer an available power-release fold-and-tumble feature, while available third-row power fold-flat seats complete the transition from passengers to cargo.

Plus, both Yukon and Yukon XL offer seating for up to nine with SLE's optional front bench seat.

¹Cargo and load capacity limited by weight and distribution.

TRAILERING

CONNECTIVITY

FEATURES AND OPTIONS

Yukon is engineered so you can bring your hobbies—up to 8,400 lbs¹—with you. Confidence also travels with you with the available ProGrade[™] Trailering System. It helps you keep tabs on Yukon and your trailer with up to nine available camera views.² And with the available in-vehicle Trailering App³ integrated into Yukon's infotainment system,⁴ you can create trailer profiles and find maintenance reminders, predeparture checklists, a Trailer Light Sequence Test and a Trailer Tire Pressure Monitoring System.⁵

TAKEYOUR PASSSONS WITHYOU UPTO 8,400 LBS'

¹Requires Yukon 2WD with 5.3L engine and available Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ²Read the vehicle Owner's Manual for important feature limitations and information. ³App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. User terms and limitations apply. ⁴Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁵Requires available Trailer Tire Pressure Monitoring System and installation of trailer tire pressure monitor sensors.

MORE CONFIDENCE, MORE CONNECTIVITY, MORE CHOICE Prepare for the unexpected and enjoy the seamless experience of a completely connected drive. GMC Connected Services offers you an elevated ownership experience. And with available OnStar, you get added peace of mind knowing an Emergency-Certified Advisor¹⁰ is ready to help 24/7.

24/7 LIFELINE When the unexpected happens, the last thing you want to be is alone. With OnStar, you can have added peace of mind knowing help is only a button-push away. The available OnStar Safety & Security Plan² provides 24/7 access to a specially trained OnStar Advisor who can help in the event of a crash, vehicle theft,¹¹ emergency or other unexpected situation you may encounter on the road. If a vehicle crash is detected, available Automatic Crash Response¹² can alert an Emergency-Certified Advisor¹⁰ who can send help, even if you can't ask for it. Drive with added confidence knowing a real person is always ready to help.

myGMC MOBILE APP Convenience, command and control, in or out of your vehicle. With the available myGMC mobile app,³ you can start your engine, check fuel levels and tire pressure and even personalize your vehicle by setting radio station favorites and installing in-vehicle apps⁸—all from your smartphone. You can also schedule service appointments, learn driving tips and more.

EXPLORE MORE, ALEXA'S ON BOARD The Alexa functionality you enjoy at home is now fully integrated into your GMC Infotainment System.¹³ With available Alexa Built-In,⁴ you can use voice commands to stream your favorite music services such as Spotify⁹ or Amazon Music, get directions, make calls, change your radio station and get routes to the nearest dealership—on the go. Alexa can also make shopping lists, play and resume audiobooks and get the score to last night's game.

WIRELESS, SEAMLESS, EFFORTLESS Convenient cordless control is yours with wireless Apple CarPlay[™] compatibility.⁶ Without plugging in a single wire, Apple CarPlay[™] connects your iPhone[®] to Yukon's infotainment screen, allowing access to Apple Music,[™] Apple Maps, Siri[®] and other functions. The same goes for wireless Android Auto compatibility,⁷ which connects you to Google Maps,[™] Google Play Music, Google Assistant[™] and plenty more resources through your Android phone.

⁷Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Google, Android Auto and Google Maps are trademarks of Google LLC. ⁸Available on select 2017 model year and newer GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Requires active service plan and paid AT&T vehicle data plan. See onstar.com for details and limitations. ⁹Requires premium subscription to use Spotify. Visit spotify. Visit spotify. Visit spotify. Jour smartphone, tablet or computer to purchase a Premium Spotify subscription. Available only on vehicles equipped with an IOS, IOU or IOT infotainment system. ¹⁰OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch. ¹¹Requires armed GM factory-installed theft-deterrent system and enrollment to receive alerts. Additional texting and data rates apply. Doesn't prevent theft, damage or loss. ¹²Not all vehicles may transmit all crash data. ¹³Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY GMC will warrant each 2021 Yukon from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first; see dealer for details).

POWERTRAIN LIMITED WARRANTY Every 2021 GMC Yukon comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your GMC dealer for details.

ONSTAR AND GMC CONNECTED SERVICES

Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. See onstar.com for details and limitations.

GMC CERTIFIED SERVICE

To help your Yukon live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Yukon, GM-trained technicians have the expertise to help care for it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Yukon on our website: gmc.com/yukon. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide; spec out your own vehicle. Or call 1-800-GMC-8782.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information at the time of printing. Excludes other GM vehicles.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
