A HIGH STANDARD OF CONFIDENCE

To elevate the confidence of you and your passengers, Acadia offers advanced safety and driver-awareness technologies.

New GMC Pro Safety Plus is standard on SLT, AT4 and Denali. This comprehensive suite of features—listed on the right—helps alert you to potential dangers, because after all, the Professional Grade way to handle a collision is to avoid it.

Learn more about Acadia's safety technologies at gmc.com/acadia/safety.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

GMC PRO SAFETY PLUS

STANDARD ON SLT, AT4 AND DENALI INCLUDES:

- LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT
- LANE KEEP ASSIST WITH LANE DEPARTURE WARNING
- REAR CROSS TRAFFIC ALERT
- AUTOMATIC EMERGENCY BRAKING
- FORWARD COLLISION ALERT
- REAR PARK ASSIST
- FOLLOWING DISTANCE INDICATOR
- FRONT PEDESTRIAN BRAKING
- INTELLIBEAM—AUTO HIGH BEAMS

AVAILABLE SEPARATELY FROM GMC PRO SAFETY PLUS:

- ADAPTIVE CRUISE CONTROL (DENALI ONLY)

ELEVATED TECH, ELEVATED AWARENESS

ACADIA OFFERS:

- 6" DIAGONAL COLOR HEAD-UP DISPLAY IS AVAILABLE
- REAR CAMERA MIRROR IS AVAILABLE (DENALI ONLY)
- HIGH DEFINITION SURROUND VISION IS AVAILABLE

Acadia's available technologies are engineered to help keep you aware. The Head-Up Display projects vehicle data, available active safety information and phone and infotainment sources onto the windshield. The dual-function Rear Camera Mirror uses a camera to help provide a wide, less obstructed view behind the vehicle while you're driving. You can switch between the camera view and a traditional rearview mirror. And High Definition Surround Vision uses multiple cameras to display a digital overhead image of the area around Acadia. It works at low speeds and may help you park and avoid nearby objects.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

DRIVE THE CONVERSATION

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY GMC will warrant each 2021 Acadia from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first; see dealer for details).

POWERTRAIN LIMITED WARRANTY Every 2021 GMC Acadia comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your GMC dealer for details.

ONSTAR® AND GMC CONNECTED SERVICES

Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. See onstar.com for details and limitations.

GMC CERTIFIED SERVICE

To help your Acadia live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Acadia, GM-trained technicians have the expertise to help care for it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-SUV segment and latest available competitive information available at time of publication. Excludes other GM vehicles.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.
