Peace of mind for the road ahead

Buying a pre-owned car is a super smart idea. It can save you thousands of dollars compared to a new car. But, because it's a pre-owned car, unforeseen problems could be lurking around the corner — problems that could lead to unwelcome surprises.

Assurant Vehicle Care Quality Certified helps protect you from these risks. Quality Certified cars receive thorough inspections and reconditioning for engine, transmission, drivetrain, and other major systems.

Comprehensive Inspection

Protect yourself from unforeseen problems with a Quality Certified pre-owned vehicle inspection, which scrutinizes all major vehicle systems.

Extensive Reconditioning

Buy with confidence knowing your Quality Certified vehicle has undergone a thorough reconditioning process performed by dealership-trained and certified technicians.

Guaranteed Protection

Receive a limited warranty, qualify for an optional vehicle service contract, and receive roadside assistance anywhere in the U.S. or Canada 24/7.

Are you prepared to manage the risks of buying a pre-owned vehicle?

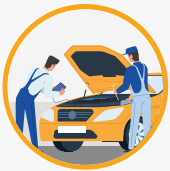

Avoid unforeseen complications, guarantee your investment, and drive with confidence.

Quality Certified vehicles have gone through an extensive inspection and reconditioning process — assuring reliability.

With Quality Certified inspection and reconditioning:

1. Quality Certified technicians at your dealership have completed **training to exacting standards** in order to inspect and recondition your pre-owned vehicle.

2. Quality Certified technicians **inspect all major systems** including engine, transmission, drivetrain, brakes, steering, suspension, heating and cooling systems, tires, and exhaust system.

3. Quality Certified vehicles **meet or exceed reconditioning standards**.

4. Quality Certified vehicle owners receive a pre-owned vehicle **inspection report**.

✓ Extendible Protection

Quality Certified vehicles qualify for an optional vehicle service contract. For even greater peace of mind, you might want to consider purchasing this optional coverage. It picks up where the limited warranty leaves off, with such valuable benefits as:

- Higher level of coverage and/or extended coverage
- Emergency roadside assistance for the term of the vehicle service contract

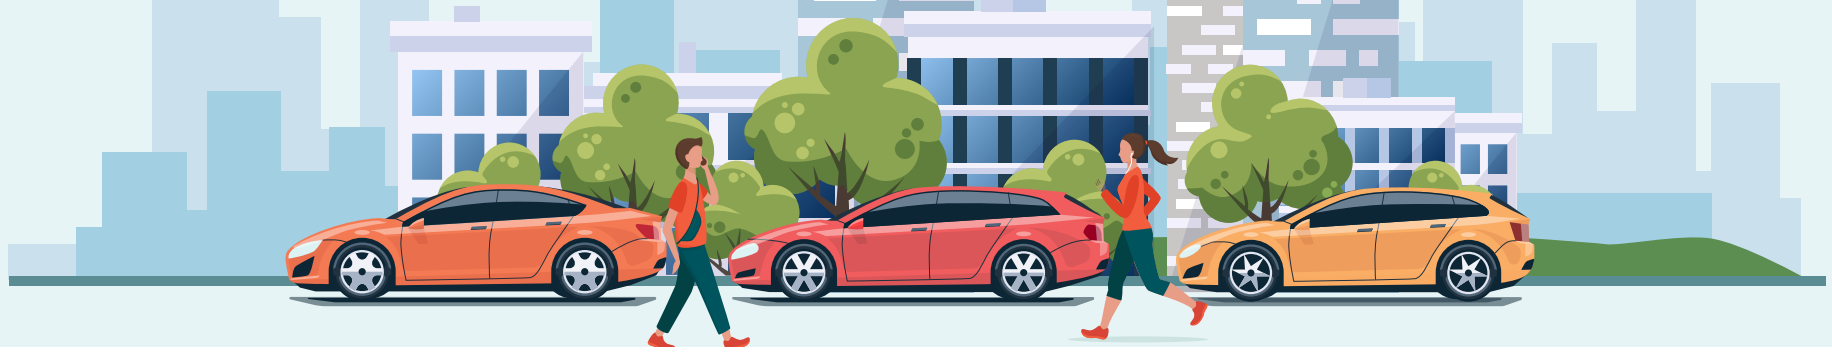

- Substitute transportation reimbursement for the term of the vehicle service contract
- Nationwide protection
- Coverage is effective anywhere in the continental U.S., Alaska, Hawaii, and Canada

✓ Deductible

A deductible per visit will apply.

✓ Substitute Transportation Reimbursement

If your vehicle is kept in a repair facility overnight for covered repairs, substitute transportation reimbursement coverage will be provided to you.

Customer Responsibilities

✓ Maintenance Requirements

Your vehicle must be serviced receiving all scheduled maintenance at the proper intervals as required by the manufacturer's Owner's Manual.

✓ Maintenance Record Retention

You must retain copies of all completed repair orders showing the maintenance services performed during the coverage period.

✓ Repair Requirements

You must return to your Quality Certified-authorized dealership or their affiliate for covered repairs. If you're traveling away from home, contact the Quality Certified administrator for directions to the nearest Quality Certified-authorized repair facility.
