**Utility Operating Company**

A CSWR Managed Utility

## **BIG BASIN COMMUNITY UPDATE**

**Tuesday, September 19, 2023**

Dear Big Basin Residents:

You should receive your first CSWR-California water bill in the next several days.

The bill will contain charges for the billing period of 08/15-23 to 09/14/23, only.

We have submitted water samples to the Water Board for review and once approved, we will be able to issue a Boil Water Lift of the ongoing Boil Advisory.

Thank you for your patience.
