PREFACE

The following Tariff governing water service is published as a convenient source of answers to basic questions asked by Customers or Applicant of Great River Utility Operating Company, LLC (“Great River”). This Tariff is established to provide uniform standards and policies for the rendering of water service and to the extent applicable by their provisions, to prescribe terms and conditions for all water service rendered or to be rendered by Great River. To the extent there is a conflict between the terms of this Tariff (or any contract with a Customer entered pursuant to this Tariff) and the Commission’s Service Rules, Procedural Rules or Orders, the terms of the Commission’s Service Rules, Procedural Rules and Orders shall control. This Tariff is on file with the Mississippi Public Service Commission. Failure of Great River to insist on any one or more occasions upon the strict compliance with this Tariff governing water utility service shall not constitute a permanent waiver or modification of the Tariff, but Great River at any time may insist upon strict compliance herewith regardless of any previous waivers or Customer’s reliance thereon.

Copies of this Tariff are available at the Mississippi Public Service Commission in Jackson, Mississippi and at the following website:
